

Thanks to the generosity of many individuals and companies, Rainbow Village has raised more than **\$1.8 million** to date in our "Say Yes!" Capital Campaign. Our goal is to raise **\$2 million** to purchase and remodel an additional 15 safe and affordable homes for people with developmental disabilities within the next three years.

Rainbow Village meets an essential need for people with developmental disabilities by providing neighborhood homes, thereby enhancing the quality of life. We serve over 250 individuals in 55 neighborhood homes.

Everyone deserves a place to call home.
